MSRB Rule G-17 Disclosure Letter

October 30, 2019

Holly Hill Road East Community Development District

Attention: Ms. Jane Gaarlandt

Re: Holly Hill Road East CDD, Series 2020 Bonds

Dear Ms. Gaarlandt:

We are writing to provide you, as Holly Hill Road East Community Development District (the "Issuer"), with certain disclosures relating to the captioned bond issue (the "Bonds"), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 as set forth in MSRB Notice 2012-25 (May 7, 2012)¹ (the "Notice").

The Issuer has engaged FMSbonds, Inc. ("FMS") to serve as underwriter, and not as a financial advisor or municipal advisor, in connection with the issuance of the Bonds. As part of our services as underwriter, FMS may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. We may also have provided such advice as part of the process of seeking to be selected to serve as your underwriter. Any such advice was provided by FMS as an underwriter and not as your financial advisor in this transaction.

The specific parameters under which FMS will underwrite the Bonds will be set forth in a Bond Resolution adopted by the Board.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- The underwriter's primary role is to purchase the Bonds with a view to distribution in an arm's-length commercial transaction with the Issuer. As such, the underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and are, therefore, not required by federal law to act in the best interests of the Issuer without regard to their own financial or other interests.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters of Municipal Securities (effective August 2, 2012).

- The underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to sell the Bonds to investors at prices that are fair and reasonable.
- As underwriter, we will review the disclosure document for the Bonds in accordance with, and as part of, our responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.²

The underwriter will be compensated by a fee and/or an fee that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the issuance of the Bonds. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Bonds. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary.

Please note nothing in this letter is an expressed nor an implied commitment by us to provide financing or to purchase or place the Bonds or any other securities. Any such commitment shall only be set forth in a bond purchase agreement or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase agreement (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMS is acting independently in seeking to act as an underwriter in the transactions contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMS assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the other underwriters in connection with the transactions contemplated herein or otherwise.

If you or any other Issuer representatives have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, Issuer should consult with its own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent it deems appropriate.

² Under federal securities law, an issuer of securities has the primary responsibility for disclosure to investors. The review of the official statement by the underwriters is solely for purposes of satisfying the underwriters' obligations under the federal securities laws and such review should not be construed by an issuer as a guarantee of the accuracy or completeness of the information in the official statement.

It is our understanding that you have the authority to bind the Issuer by contract with us, and that you are not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

The MSRB requires that we seek your acknowledgement that you have received this letter. Accordingly, please send me an email to that effect, or sign and return the enclosed copy of this letter to me at the address set forth above within five (5) business days of the date of this letter. Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you and the Issuer in connection with the issuance of the Bonds, and we appreciate the opportunity to assist with your financing need. Thank you.

Sincerely,

Jon Kessler,
FMSbonds, Inc.
