**SECOND ORDER OF BUSINESS**

**Public Comment Period**

There were no members of the public present.

**THIRD ORDER OF BUSINESS**

**Consideration of the Minutes of the  
January 14, 2020 Board of  
Supervisors' Meeting**

The Board reviewed the Minutes of the January 14, 2020 Board of Supervisors' Meeting.

On MOTION by Mr. Heath, seconded by Mr. Rhinehart, with all in favor, the Board approved the Minutes of the January 14, 2020 Board of Supervisors' Meeting.

**FOURTH ORDER OF BUSINESS**

**Consideration of Financing Matters  
Relative to Phase 3 & 4 Projects,  
Series 2020 Bonds**

- a) Presentation of Supplemental Assessment Report**
- b) Hopping Green & Sams Fee Proposal**
- c) Other Matters**

Mr. Plenzler presented the Supplemental Assessment Report. He explained that these are preliminary assessments securing the repayment of Bonds that are forecast for the District. Table 1 shows Assessment Area 3 with 182 units and Assessment Area 4 with 142 units, a combined total of 324 units. Table 2 outlines the Capital Improvement Costs as estimated by the District Engineer for each assessment area. It is just under \$5,100,000.00 in Assessment Area 3 and just under \$4,000,000.00 in Assessment Area 4. Table 3 outlines the Preliminary Financing Numbers. The District estimates funding of approximately \$3,500,000.00 of the CIP for Assessment Area 3 via Bonds totaling just over \$4,000,000.00 and funding just under \$2,800,000.00 of the Capital Improvement Plan for Assessment Area 4 with Bonds totaling \$3,200,000.00. Table 4 outlines the Bond Par and annual assessments for the lots planned for the two assessment areas. Assessment Area 3 per lot assessments are estimated at \$22,115.00 in Principle and Assessment Area 4 lot assessments are estimated at \$22,782.00. The Annual Assessments for Assessment Area 3 are \$1,310.00 and Assessment Area 4 Annual Assessments are estimated at \$1,350.00. These numbers are preliminary and will probably slightly change based on final pricing. Ms. Schwenk noted that it has \$1,350.00 for Citrus Reserve and \$1,310 for Citrus Landing. Mr. Heath questioned the difference in amount for Annual Assessment Area 3 and Area 4. Mr. Plenzler stated he had both at \$1,350.00 but there was an issue with the net vs. gross but he can adjust accordingly and resize or make the adjustment as needed. Mr. Plenzler will verify the information and make the adjustment as needed.

Mr. Van Wyk asked if this is consistent with the Master Methodology that is in place. Mr. Plenzler answered yes. Mr. Van Wyk asked if it is his opinion that the assessments as set forth in the Supplemental Assessment Report are fair and reasonably apportioned across the product types. Mr. Plenzler answered yes. Mr. Van Wyk asked if it is his opinion that the benefit received by the parcels will be equal to or in excess of the burden placed on them by the special assessments. Mr. Plenzler answered yes.

Ms. Schwenk noted there are three builders in Citrus landings. If two of the builders are at \$1,350.00 and one of the builders is at \$1,310.00 would it be considered an overfunding for that builder and the others would have to be paid down to the \$1,310.00?. Mr. Van Wyk noted that the District should show Developer contribution to those specific lots so the additional cost of the project above what is financed, the benefit or credit, is moved to those parcels and used to pay down, or they can be paid down directly.

On MOTION by Mr. Rhinehart, seconded by Mr. Heath, with all in favor, the Board approved the Supplemental Assessment Report subject to the numbers being verified.

Resolution 2020-07 is being tabled until the next meeting.

**FIFTH ORDER OF BUSINESS**

**Consideration of Resolution 2020-08,  
Adopting an Internal Control Policy**

**SIXTH ORDER OF BUSINESS**

**Consideration of Fiscal Year 2019  
Auditor Engagement Letter**

Ms. Gaarlandt presented the Fiscal Year 2019 Auditor Engagement Letter.

On MOTION by Mr. Heath seconded by Mr. Rhinehart, with all in favor, the Board approved the Fiscal Year 2019 Auditor Engagement Letter.

**SEVENTH ORDER OF BUSINESS**

**Consideration of Personnel Leasing  
Agreement**

The Board reviewed the Personnel Leasing Agreement.

On MOTION by Ms. Schwenk, seconded by Mr. Rhinehart, with all in favor, the Board approved the Personnel Leasing Agreement.

Re: Holly Hill Road East Community Development District (HHRECDD)

Ladies and Gentlemen:

Reference is made to our original engagement letter dated July 10, 2017, in which we agreed to charge, absent “unusual circumstances”, fees and expenses of \$48,000 for the initial financing and \$43,000 for each financing thereafter. Notwithstanding the agreement we only charged \$42,500 for the initial financing for Assessment Area 1, and \$26,000 for Assessment Area 2. Subsequently, at the request of HHR East, LLC (Landmark) (the “Prior Developer”), we structured a unique draw down line of credit bond anticipation note for the amenity center to facilitate continued work on the amenity prior to bond funding for future phases, under which the Prior Developer has incurred on behalf of HHRECDD expenses in the approximate amount of \$513,000, to be retired from the proceeds of the Assessment Area 3 and 4 bond issues. The allocation of the costs of the amenity center is the subject of an Interlocal Agreement between HHRECDD and North Boulevard Community Development District (NBCDD), dated effective October 11, 2017, and two Joint Acquisition Agreements, dated September 22, 2017 and October 11, 2018, pursuant to which HHRECDD will own the amenity center but residents of NBCDD and HHRECDD will share its use, and are to be assessed pro rata to pay the debt service on bonds issued for the amenity center. For the bond anticipation note financing, we incurred \$22,500 in time but were requested to bill only \$2,500 with assurances that the remainder could be paid when a funding source was available (i.e. when permanent bonds were issued for the amenity center in Assessment Areas 3 and 4). We are requesting that this deferred amount be included in the upcoming bond issue which will retire the bond anticipation note and be divided between the two assessment areas.

Where the District issues separate series simultaneously for different landowners involving separate assessment areas and under separate documentation (as is the case in HHRECDD), we typically charge \$30,000 per series. This financing structure was not contemplated in 2017 and 2018 when we were originally engaged or when HHRECDD issued its prior series of bonds. This arrangement is separate from the deferred payment for the bond anticipation note.

Please present this fee arrangement to the Board of Supervisors at the next meeting. If the foregoing proposal is acceptable to the District, please so indicate by executing this letter and emailing a copy back to me.

We look forward to completing this next bond issue for Assessment Areas 3 and 4 and providing permanent financing for the amenity center.
